

# DIPLOMA IN PSYCHOLOGY

*KPT/JPS(N/311/4/0124)(MQA/PA14277)05/26*

The Diploma in Psychology is designed to provide the requisite psychology domain knowledge, technical and digital skills, English Language proficiency and values which will deliver graduates who are capable of building successful careers across all psychology sectors, public or private. The programme also develops interpersonal skills to work in team, analytical skills to solve problems, skills for lifelong learning and career development or managerial and entrepreneurial skills essential for the 21st century work force. During the final year, the students will be able to engage in industrial training in relevant companies or industries. This programme will further unlock the maximum potential of students from assessments given within the scope of psychology as well as other related subjects.
