QS WORLD UNIVERSITY RANKINGS 2021

ABOUT OXFORD BROOKES UNIVERSITY

- Ranked 383rd in the QS World University Rankings 2021
- The best UK degree in Malaysia under a 3+0 arrangement in Business and Management, and Accounting and Finance

- Ranked Top 50 under 50 for four consecutive times in a row
- The only British university in the Ranking

- Oxford Brookes University' Business and Management, and Accounting and Finance are ranked in the top 51-100 and top 151-200 bands respectively

With a humble beginning as just a School of Arts, Oxford Brookes University has grown into one of the United Kingdom's top modern universities with a reputation at the national and international level. With over 150 years of history, Oxford Brookes University today is the only British university in the QS World University Rankings of top 50 institutions under 50 years old (QS, 2020) and amongst the world's top universities in 12 subjects (QS, 2019). Oxford Brookes University indulges an international reputation for teaching excellence and innovation. Eleven of its staff have been recognised and rewarded with the prestigious National Teaching Fellowships – an award that recognises outstanding contributions to learning in higher education by the British government.

WHY STUDY 3+0 OXFORD BROOKES' DEGREE AT UCSI COLLEGE

ACCLAIMED LECTURERS

Our competent lecturers were previously industry practitioners, and have undergone a thorough assessment to be accredited by Oxford Brookes University.

INTERNATIONAL OPPORTUNITY

Students can choose to transfer to Oxford Brookes University in the United Kingdom to complete their final year. This gives them an opportunity to gain international exposure.

RECOGNISED PROGRAMMES

Oxford Brookes' degrees are recognised globally and highly valued by international and local employers

UK QUALITY

Syllabuses in Oxford Brookes University's programmes taught here mirror the UK education quality.

DEVELOP PERTINENT ATTRIBUTES

Learners will gain literacies in academic, research, critical self-awareness and personal, digital information and active citizenship.

AFFORDABILITY

The UK degree is obtained at a relatively affordable fee as compared with that of UK universities and UK branch universities in Malaysia
