Overview

| | |
|------------|----------------------------|
| Level | Undergraduate |
| Intakes | January, May and September |
| Study Mode | Full Time |

The UK Degree Transfer Programme at UCSI College enables our students to pursue a degree programme at partner universities under the '2+1' or '1+2' transfer arrangements. Upon completion of the initial year(s) of study at UCSI College, our students would go on to any of our renowned partner institutions in the UK, of their choice, to complete the programme. This pathway gives students a perspective of global education in an affordable way.
